We still expect to submit our NRRB package on November 15 or 16. However, if your submission is late by a few days, the NRRB will accept it.

We still have no power, so Kimberly and I are camped out at grandma's house in Schenectady NY. Ditto on school, but it starts up again on Monday! Our power is not expected back until Nov 9, so we are debating options.

Alice

I hope you have power back are doing fine - Stephanie said you had no pwer earlier in the week. We lost power for about 16 hours, but we also had a generator to keep essentials going. The girls have been out of school all week.

Are you considering an extension of the submission date for the stakeholder submissions?

Thanks
